Day 2 - Monday, May 3rd, 2021

Happy Monday Morning team!
Welcome to Day 2 of online learning. Please follow the instructions below carefully, to complete your assigned tasks for the day. You are all being rockstars and showing me some awesome work so far!

Today's Plan:
*Online Google Meet from 9:30 a.m. to 11:00 a.m.

Seesaw Independent Tasks:

1. Independent Reading - 20 minutes - get cozy and get lost in a good book!

2. Virtual Field Trip: Please click the link in the "Virtual Field Trip" post, and enjoy learning about Rocks and Minerals! After viewing the video, share 5 things you learned in your JOURNAL. If you choose to write your 5 things (using the note tool), please make sure you write in complete sentences.

3. Emotions Message Challenge - Check out my post on creating an Emotions Message :)

* Spell the word out with the strangest things you can find, create a poster, or make a video!

4. Math Activity: Introduction to Fractions

*Please listen to the read aloud and watch the instructional video for an introduction to fractions!

Read Aloud: "Hershey's Milk Chocolate Fractions" https://www.youtube.com/watch?v=qPn9QTImavk

Instructional Video: https://www.youtube.com/watch?v=n0FZhQ_GkKw

Ms. Lawlor's Extra Challenge of the Day!
Have a lunch picnic outside (set one up inside if it's not nice out)! Share a photo of yourself while enjoying your picnic!

Give yourself a pat on the back for doing your work and growing your brain!

Love Always,

Ms. Lawlor

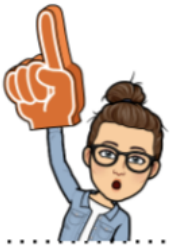
Google Meet Expectations

Mute your mic

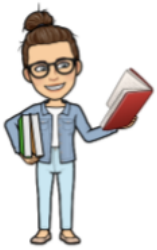
Keep your video on

Be on time

Use "Raise Hand" button



Complete work



Sit in a quiet place

Be respectful

Stay focused

Chat Responsibly

Only use feature when asked by the teacher
