

Hello BES Grade 3 and 4 Music Students!

I hope you've had a safe and happy holiday! We will have to wait another week to meet again in person, but I do look forward to seeing you soon during your classroom meetings.

In the meantime, I have a couple of musical tasks for you to complete as part of your online learning.

First, I would like to introduce you to “**An Orchestra Adventure with Maestro Karl and Friends**”.

This is a fun online musical journey through the four sections of the symphony orchestra: woodwinds, strings, brass, and percussion. Along the way, we will encounter different instruments and some of the musicians who play them, as well as take a few side trips to discover interesting facts about music and famous composers.

We will start our adventure with exploring the “Wondrous Woodwinds”! Get ready to click on the link below:

When you have finished watching the YouTube video, go ahead and complete the tasks in packet you received from school titled, “An Orchestra Adventure”.

I hope you enjoy the video!
