

Grade 1

Home Learning Mrs. Gladwin/Mr. Fields

Daily work: We are entering our fourth full week of home learning. We understand that each family has a different home schedule and will do their best to work on learning activities. If work becomes overwhelming please stay in touch. Mental health and well being comes first.

Online Learning: We will be online daily from 9am-10am via google meet. The link for the meet has been sent to parents' home email addresses.

Additional Support: We are also open to connecting outside of our online 9am-10am hour with phone calls or video chats. Please connect if you feel your child would like a one on one connection.

Work Samples: **We want to receive pictures of completed work and of course your child engaged in learning. Please email or text us pictures of your child's work when you have time.** Parents, please let your child complete their work independently. If they make mistakes that's ok. This helps inform our teaching and allows us to work on those tricky areas during our online learning.

Mrs. Gladwin Cell: 902-521-1088

Mr. Fields Cell: 902-305-5566

Home: 902-543-6775

Email: chriglad@gnspes.ca

Gym and Music Activities: There are weekly grade level activities for students to complete. Check out the Phys Ed 4 All and Music 4 All links on the Home Learning webpage <http://besdistancelearning.weebly.com/> Emails of phys ed and music teachers are enclosed on the site.

This week students will continue to work on word study activities. In reading and writing we will continue to focus on non-fiction books and fact writing. In math students will work on doubles and solving problems.

Work Activities: Tuesday, May 25, 2021

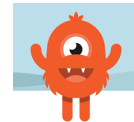

1. **Online Learning:** Join the online teaching google meet 9-10. Bring your daily work papers and whiteboard.

2. **Date Page:** Complete the review page.

3. **Word Study:**

A. **Word Family "ing" family** - Read and complete your "ing" family word book.

B. **Squiggle Park:** log in to Squiggle Park and work on your word study levels.

<https://www.squigglepark.com/squigglepark>

4. **Writing:** Free Choice Writing; You may write about anything that you want. (Something you have done or seen, a special object, a topic you love). Write three or more sentences. Remember sentences start with a capital letter.

5. **Reading:Reading:** Read your home reading books or read online at RAZ kids. <https://www.raz-kids.com/>

6. **Math:** Complete your part-part whole story problems! Try using your bag of beans to represent the numbers in each problem.

Begin to practice doubles facts at home! Use your beans to visualize the problem.

Work Activities: Wednesday, May 26, 2021

1. **Online Learning:** Join the online teaching google meet 9-10. Bring your daily work papers and whiteboard.

2. **Date Page:** Finish the review sheet.
