

Dear Grade 2 students and parents:

I am pleased that so many of the children were able to show up today for our on-line learning. Parents, thank you for enabling this to happen. Students, you all did a great job following the rules and being respectful learners - **awesome job!** It was great to see the students and their smiling faces!

From now on, could you please have a **pencil, eraser and paper** for your child to use during their on-line times? There are a few days that students will need to use these items. Thanks in advance.

Please note that this coming week, on May 5, we will be having [Show and Tell](#) during our on-line learning time. The children can show a pet or toy during this time.

You can expect an email on Sunday evenings by 6:00 pm with the independent work package for the upcoming week. This work is to be done at home and will correlate with topics that we are teaching on-line each day. Please look for the work activities that are highlighted in **orange**, as we would like you to email us photos of those particular assignments for grades and report cards. Again, thanks in advance.

Lastly, a reminder that we meet each school day from 10-11:00 am. The link that was sent out yesterday should allow access to all of the meets.

Again, thanks for your support and I look forward to seeing all the children again on Monday! Have a great weekend!

Mrs. Conklin
