Dear Parents:

Hello again! Grade 2 teachers have been hard at work planning both on-line and independent activities for your child for the next few weeks.

Tomorrow we will meet for the first time on-line. We will soon email you a link- click on that link on weekdays at 10 am for your child to partake in on-line learning. On-line learning will run from 10-11 am each week day.

Tomorrow we will review on-line learning and a few rules/expectations. We will teach the children how to turn off their mics so that only 1 person speaks at a time. We will remind them to sit in one place respectfully, not to eat and not to have toys while we are live.

On Sundays around 6 pm, you will receive an email that contains your child's independent work for the coming week. **Please note that certain assignments will request that you email a picture of the work to your teacher. This work will be marked and used for report card grades.**

Also, Bridgewater Elementary School will post the independent work for each class to the following site:

This link will also be on our BES website.

Thank you and stay safe.
