Dear Families,

Welcome to your first online learning experience. We hope to make it as easy for you as we can. It is expected that Grade Primary students work for approximately two hours of each day, with one hour of that time online. Our online hours will be done from 9am to 10am through GoogleMeet. We will send out the link before 3pm the day before. It will consist of a Language Arts piece, Question and Answer Time related to our assignments and a Share Time with the class. The following table will show your assignment for the upcoming days.

Dates	Reading	Language Arts (Writing Prompts)	Math
Monday (January 10th)	Read each day for 10 mins	Draw/write about something special you received at Christmas.	Go on a number walk inside! Where do you see numbers inside? What do they mean? *Complete the New Year Countdown sheet.
Tuesday (January 11th)		Draw/write about an activity you did over the holidays.	Sing the days of the week song to someone at home. * Complete the Days of the Week sheet.
Wednesday (January 12th)	Read each day for 10 mins	Draw/write about activities you like to do in the snow.	Go on a number walk outside! Where do you see numbers? What do they mean? *Complete the numbers sheet.

We understand this can be a difficult time for families and want to support you and your children the best we can. Please feel free to contact your child's teacher with any comments, questions or concerns. We will be working regular school hours and will respond as quickly as we can.

Thank you,

*Ms. Marcy, Ms. Hayley and Mrs. Butt*
