

Welcome to BES **Grade Primary** Online Learning

Teachers: Devon Weaden wedevon@gnspes.ca

Charlotte Butt charlb@gnspes.ca

Dear Families,

We have been doing an amazing job with our Online Learning. Our province has extended this online learning until May 31. It is still expected that Grade Primary students work for approximately two hours of each day, with one hour of that time being online and the other doing at-home learning assignments. Students will continue to be online with their class from 9am - 10am everyday in which they will be able to interact with their teacher. For at-home learning students are asked to complete 10 minutes of reading each day along with a language arts and math activity. We encourage parents to continue to send any writing pieces and/or math activities that their child is proud of to their homeroom teacher's email. Feel free to take a picture on your phone and send them our way, we would love to see them! There will also be time during the online hour to share some of the amazing work the class has completed.

The following table will show the at-home assignments for the rest of this week, May 13 and 14.

Dates	Reading	Language Arts (Writing Prompts)	Math
Thursday (May 13)		Draw and Color or Paint your Family Tree. Glue on the names of your family members to the branches.	Go on a shape walk inside your house. Look for things that have square, circle, triangle or rectangle faces. Draw or take some pictures.
Friday (May 14)		Draw a picture of your family having fun. Label your picture.	Go on a shape walk outside your house. Look for things that have square, circle, triangle or rectangle faces. Draw or take some pictures.

Please feel to contact us with any questions, comments or concerns at any time. We will be working regular school hours 8am – 3pm and will respond as quickly as we can.

Take care and stay safe! Sincerely, Devon Weaden & Charlotte Butt
