

Grade $\frac{3}{4}$ Lawlor
Online Learning Through Seesaw & Google Meet

Tuesday, May 25th, 2021

Teacher Email: (klawlor@gnsps.ca)

Starting our day with: "Live With Ms. Lawlor" on Google Meet (9:30 a.m.)

Followed by Independent Work on Seesaw

It's Tuesday, and we are BACK after the long weekend! I hope everyone is well and ready for a great week!

Here is the plan for today:

1. Independent Reading: 20 minutes minimum. It's going to be a nice day - choose a quiet place outside to do your reading if you would like. Snap a photo and share it with me!

2. Canadian Research Writing Project: Please have these projects submitted on Seesaw or shared to my email (klawlor@gnsps.ca) by TOMORROW. We will be sharing them with the class on Thursday :)

***If you have completed and turned in your project, I would like you to choose 1 of the following options:**

Option A: Write me a letter! You can put a stamp on it and mail it, drop it off in my mailbox, or email it to klawlor@gnspes.ca. Tell me anything. I MISS YOU! Remember to use the Friendly Letter format (heading (date), greeting, body, closing, signature).

Option B: Write a story! Use your imagination and let it run wild. Remember to use the skills for story writing that we learned. In particular, make sure your story has a beginning, middle and ending. Develop characters, a setting, problem and solution.

3. Multiplication Strategy #4 - Arrays: Please see the additional post for further instructions.

4. Music & Gr. 4 French (Ms. Miller)/ Phys. Ed (Mr. Melloy) - Follow the link and click on MUSIC, CORE FRENCH, or PHYS. ED to complete your assignments.

****Ms. Lawlor's (optional) Extra Challenges of the Day!****

-Start the 30 Day LEGO Challenge! Capture your LEGO designs on camera and be sure to upload them for me to see on Seesaw or email them to klawlor@gnspes.ca

- Critter Quest! : Go on an insect hunt. Take photos/video, or draw pictures of the insects you find.

-Check out this outdoor scavenger hunt! Be sure to send me a photo of you completing the challenge.
