

4M Online Learning

May 10 -14, 2021

Our first week of Online Learning went very well! Way to go everyone! We are off to a great start. I love seeing my students each morning-- it is a great way to start the day! I encourage students to continue coming and participating in the Live Sessions. These sessions are an excellent way to continue conversing in the French language, as well as setting students up for their daily Seesaw activities.

This week, we will have an Online French Bingo session for anyone who would like to participate. This will take place on Friday, May 14th from 11am- 12pm. If your child would like to participate, **please let me know by Thursday, May 13th**. I will send more information Thursday night on how to partake in the Bingo Fun.

Friday will be another theme day for us: Beach Day! Come dressed for fun in the sun!

Remember, I am here to support you and your student in whatever ways I can. These can be challenging times for many different reasons. Please do not hesitate to reach out to me.

Bonne Semaine!
