

# Grade 4 McNally Weekly Newsletter

## June 1 - 5, 2020

Bonjour Families and Students!

Here we are at our last week of Distance Learning. I cannot thank you enough for your support, encouragement and patience throughout these past weeks. It has been a pleasure to work with you this year. I wish you a safe and healthy summer, as well as a great start to Grade 5 in September.

We are going to have an exciting week to end our time in Grade 4. It is time to celebrate our accomplishments and reflect on our time together. Everyone has worked incredibly hard this year, both inside and outside of the classroom. I am proud of all of the effort that we not only put into our school work, but that we put into building our classroom community as well. I will miss the time that we spent together, but am excited for the new adventures students will have next year.

We have a lot going on this week! Here is what is on the agenda:

- **Bingo:** We will have one last game of Bingo next week. This game will take place on **Tuesday, June 2**. We will still have our game from **11 -12 pm**. If your student is interested in joining in one last time, please let me know! I will take players up until the game starts. I had to change the day due to prior commitments.
- **Class Chat:** After speaking with students this week, it became clear that we need one last class chat in our small groups. This will take place from **9-11 am** on **Wednesday, June 3rd**. Our last class chat will be Beach Day themed. Students can come in their hats, sunglasses, T-shirts and shorts. Don't forget sunscreen!
- **Class Party:** To celebrate the year, we will be having a Class Party over Google Meet. It will be a "Pizza Party" theme. Students may make their own pizza or buy from their favorite spot. We will all enjoy our own pizza together on screen. During this party, I will also be presenting Class Awards. Each student is amazing in their own way and will be given a personalized award for contributing to our classroom community (that is to say, that everyone will receive an award). This party will take place on **Thursday, June 4 from 1-2 pm** (please note that we might be a little later than 2). Students may dress up for the occasion.

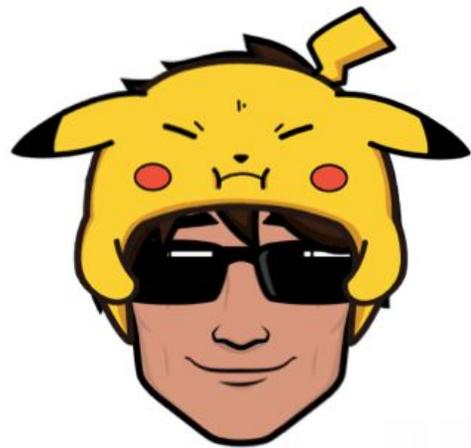

While I am sad that it is my last week with our class, I am looking forward to all of the festivities. I wish you all of the best in the upcoming months. I am always here if you need me. Have a wonderful summer!  
Bon été!

Mlle McNally
