

Grade 4 Levy
Google Classroom
Wednesday, April 28th, 2021

Dear Families,

I hope this finds you all safe and well. Thank you for providing me with the information I needed as we move to online learning. We are going to rock it!

For those of you who need to come to the school to pick up items as discussed in our conversations, you may do so tomorrow (Thursday) and Friday between the hours of 9 a.m. and 3 p.m. Please wear a mask and maintain social distancing when you arrive.

On Friday, April 30th at 9:30 a.m., we will be shifting to our online learning model. This will be on-going for the next two weeks.

As per instruction from the province, students will have 3 hours of school work every day, with up to 1.5 hours of that time online with the teacher.

We will be using Google Classroom and Google Suite for our online learning. Students will have access to their school accounts at home. I will send an email tomorrow with each student's log in information and instructions on how to access their account. There will be a link to our Google Classroom in each student email by later Thursday afternoon. There will be a variety of ways for students to show their learning throughout this two-week period. Remember that we are all very flexible!

We will also be participating in Google Meets. We will use the same link each time we meet as a class online. The link will be sent to the student's email account.

Friday will be spent exploring and becoming familiar with our new home-learning platform and routines.

Note that there is "The Homework Hub for Mathematics". This will have expanded hours and increased support to provide services to grades 4 to 12. For additional information on the Homework Hub and other information for families related to the curriculum and technology use see: <https://curriculum.novascotia.ca/parentfamilyinformation>

I encourage you to check your email frequently. Feel free to reach out with any questions and concerns. Please keep well and stay safe! Looking forward to seeing you online! We've got this!
