

Grade 3 Selig/Frellick
Online Learning Through Seesaw
May 10-14th, 2021.

Teacher Emails: (sarahburke@gnspe.ca, colleen.frellick@gnspe.ca)

Dear Families,

Welcome to week 3 of distance learning. Thank you for your continued support, participation, and positivity. We are thrilled with what we are receiving from our students. Thank you for bringing us happiness and joy during these times.

Missing all of you,

Mrs. Selig
Ms. Frellick

This Week's Plan:

Monday, May 10th

Paths kid: Jayden

Miss you Monday!

What do you miss most about school? Please tell us in your JOURNAL! Please use complete sentences. :)

1. Please read a fiction book for twenty minutes. You may read on EPIC, RazKids or a book you have at home.

Please select a character from your book. In your JOURNAL please write:

- * The title of the book
- * The name of the character you selected
- * Three character traits to describe the character's personality.

2. Word study: Words of the week (long u words). Select one or two choices from the Choice Board below to complete.

3. Movement break - GoNoodle - Purple Stew. Please follow the link.

https://www.youtube.com/watch?v=_NWYeVyZz9I

4. Math- Multiplication. Over the next few weeks we will be focusing on our multiplication unit. We will be reviewing how to multiply using FIVE strategies. The first strategy is equal groups.

- a. Please write in your JOURNAL, what the word equal means.
- b. Watch the following video for an introduction on equal groups.
<https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/v/skip-counting-equal-groups>
- c. Time to practice! <https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/e/equal-groups>

5. Nature Art Part 1 -Please go into your yard or on a safe walk in your neighborhood to collect some nature treasures- rocks, sticks, leaves, flowers, grass, shells, pine cones, acorns, etc. Keep your treasures in a safe place. You will be using them to create a piece of nature art later this week.

**Optional challenge of the day- Build a fort (inside or out). If you build it inside, use blankets, pillows and other household items. If you build it outside, use natural materials like logs, sticks or rocks. Take a picture of you in your fort and upload the picture on SeeSaw or email it to Mrs. Selig (sarahburke@gnspe.ca). **

Tuesday, May 11th

Paths kid: Ivy

Talk about it Tuesday!

What 3 things do you want to let Mrs. Selig know? Please write them in your JOURNAL! :)

1. Please read for 20 minutes. Check-in with your reading expectations in your JOURNAL and see how you are doing. Try your best to use your reading time wisely and increase your

reading stamina.

2. Writing- Non-fiction. We will be focusing on a non-fiction research writing unit on animals. Please complete the "Animal Fact and Opinion sort" under the activity tab. *A fact is something that is TRUE and can be proven. *An opinion is something that someone believes but cannot be proven.

3. Movement break- GoNoodle- Dinosaur Stomp. Follow the link below and participate! :)

<https://www.youtube.com/watch?v=Imhi98dHa5w>

4. Math- Multiplication: Equal groups continued.

- a. Watch the Introduction to Multiplication video. Follow the link below.
<https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/v/introduction-to-multiplication>
- b. Time to practice equal groups! <https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/e/understand-equal-groups-as-multiplication>
- c. Complete the equal groups page uploaded below.

5. Nature Art Part 2

Use the nature treasures you collected yesterday to create a piece of art. It could be a flat piece of art or more like a sculpture. It is up to you! It is your chance to be creative. Take a photo of your creation and upload it on SeeSaw.

**Optional Challenge of the day- Help cook a meal with a family member. Set the table and help with clean-up afterwards too. Upload a picture on SeeSaw of the meal you helped prepare or email it to Mrs. Selig :) (sarahburke@gnspecs.ca)

Wednesday, May 12th.

Paths kid: Jaycee

Well-being Wednesday

What are you doing to keep yourself healthy and happy? Please let us know in your JOURNAL. :)

1. Read a non-fiction book for twenty minutes. If you do not have one at home, please find one on EPIC or RazKids.

In your JOURNAL, write down three facts you learned from your book. Remember-facts are TRUE!

2. Complete "Why are bees important?" under the activity tab.

3. Writing- Non-Fiction Animal research. Please select an animal that you are interested in

researching to find more about from the list below. I have also included some websites that are good places to begin your research on your chosen animal. Today you will be researching (using the websites listed below):

*What your animal looks like.

In your JOURNAL:

- a. Write the name of the animal you have selected
- b. Write 3 complete sentences about what your animal looks like

Please let me know which website(s) you used.

4. Math - Multiplication Strategy #2- Repeated Addition

- a. Please watch the following video on repeated addition.

<https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/v/multiplication-as-repeated-addition>

- b. Time to practice repeated addition! <https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/imp-multiplication-intro/e/relate-repeated-addition-to-multiplication>
- c. Complete the repeated addition page uploaded below please.

**Optional challenge of the day- Get yourself a snack, snuggle up on the couch, and watch a movie! Send me a screenshot and I will try to guess what movie you watched. :) Upload it on SeeSaw or email it to Mrs. Selig (sarahburke@gnsps.ca).

Thursday, May 13th

Path kid: Rori

Talented Thursday!

What is your hidden talent? Tell us something you can do well that not a lot of people know! Please write it in your JOURNAL. :)

1. Please read a FICTION book for 20 minutes.

In your JOURNAL, predict what you think will happen next and why? (What evidence in your book supports that this might happen next).

2. Word Study- Using your words of the week (long u words) create a word search. Have a family member complete your word search when you are finished. The word search is uploaded below.

3. Movement break- GoNoodle- Fabio's Meatball Run. Follow the link and have fun!
<https://www.youtube.com/watch?v=JU0ETGd5dgk>

4. Math- Multiplication Strategy #3 -Using a numberline

- a. Watch the video below for an introduction for using a number line as a strategy for multiplication.

<https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/multiplication-on-the-number-line/v/multiplication-on-the-number-line>

- b. Time to practice using the number line to help you with multiplication!

https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication/multiplication-on-the-number-line/e/number_line

- c. Complete the Number Line practice page uploaded below.

Optional challenge of the day- Do a puzzle- Jigsaw, word search, crossword, etc. Upload a picture of your completed puzzle on SeeSaw or email it to Mrs. Selig (sarahburke@gnspecs.ca). If it is a large puzzle you can share a "puzzle in progress" picture.

Friday, May 14th

Paths kid: Addison

1. Fun Fact Friday! Share a fun fact on Seesaw.

2. Read for 20 minutes

Complete the following writing response in your journal.

- Think about the story you just read, write what you have learned or something that surprised you. Choose one of the response prompts to begin your reflection.

I think...	This character makes me feel...
I wonder...	I am surprised by...
I noticed...	I would change _____ because...
I feel..	I don't like _____ because...

3. Social Studies - The Acadians

- Review the Google Slides: Who are the Acadians?
https://docs.google.com/presentation/d/1BBAXu8N_gUIUirAFVTnr6OnbIKKxp0II7bZLKVJwQPw/edit#slide=id.p
- Answer the questions uploaded below.

4. E Drop Rule - Adding suffixes to words that end in silent -e

- Review the following video: <https://www.youtube.com/watch?v=NvwlyynceTY>
- Complete the worksheet uploaded below.

5. Math: Measurement

- a. Review the following videos:
 - i. Metric System (Millimeters, centimeters, meters, kilometers)
<https://www.youtube.com/watch?v=djTNUp4XIRo>
 - ii. How to Measure with Centimeters
<https://www.youtube.com/watch?v=h3poZ1xGBq0&t=41s>
- b. Complete the ***Measure It*** activity uploaded below.

**Optional Challenge of the Day - Write down 5 things you love about yourself on a sticky note or piece of paper. Put it on your mirror at home.
