Dear Families,

We hope you had a lovely weekend with your families! A big thank you for all you are doing for your children! We know it is not easy. Please only do as much as you can. We are in this together. Please reach out if you need any help or support. We are more than happy to help. We loved seeing all of our students work, pictures, audio and video clips. It was so lovely to see and hear them. :)

If students could bring paper, a pencil and a white board and white board marker (if they have them) to the google meets that would be great.

Missing all of you,

Mrs. Selig  
Ms. Frellick

## This Week's Plan:

Monday, May 3rd

### Magic Monday

What do you love the most about the month of May? Tell us in your journal. :)

1. Let's think about our reading routine at home! Have a conversation with your family. In your JOURNAL, share a list of 3 expectations you will have at home for daily reading time.

Think about these things:

- Where will I do my independent reading?
- What books am I interested in reading at home?
- How can I make my independent reading time fun at home? (Ex: blanket fort, flashlight reading, use a timer, use an app).

2. Read a book for 20 minutes (on Epic or a book you have at home).

3. Math Activity: Where is math at home? Use your Seesaw JOURNAL tools, to share 2 places you see or use math at home. What type of math skills are being used?

4. Home Timed Scavenger Hunt- have fun with your family!
