## Math

**1) Fractions** (Students only had a couple days to work with fractions but I think they have a working knowledge of this concept to be able to complete practice sheets. They also used Cuisenaire rods at school for hands-on practice. If time, discussions about how fractions are used at home, such as baking would be good.

## Language Arts

### Reading

20 minutes of reading each day

1) Readers Theatre: The Missing Pirate Treasure (Find family members to be a character?)

2) Pirate yoga

3) Reading and responding to Gangway Island

### Writing

1) Using the Gangway Island map, pretend you and some (class) mates or friends docked on the island. Come up with a couple challenges (add action to the story) that might have taken place while you made your way to the treasure (mmm, what would the ground be like around Stinky Swamp?). What exactly was the treasure? Be sure to add an ending as you head for home. Pirate writing paper is provided for a good copy.

### Word Study

1) Practice sheets for the first 14 Grade 3 No-Excuse Words

### Math

1) Polygons (Remember: 2-D shapes, 3 or more straight sides, and they are closed figures.)

(This video talks about angles but we do not need to know that in Grade 3)

**Language Arts**

**Reading**

20 minutes of reading each day

1) Poetry: What to Feed a Dragon/response

**Writing**

1) Write a short letter to tell me how you are doing, what you have been up to in your spare time and how is the home learning activities going (too much? too little? just right?)

**Word Study**

1) Practice sheets for the last 14 Grade 3 No-Excuse Words

2) Contraction task cards

**Math**

1) Math Mystery Case of the Puzzled Pirate (complete a couple pages today, work on it again tomorrow)
