

4 Covey's "What's Happening"!

June 1st – June 5th, 2020

Dear Families,

What a wonderful job you did supporting each other over the past nine weeks! You ROCKED this online learning! Thank you so much for your time and commitment. This is it – the last week!

I truly enjoyed my year with you and even though we did not finish the year together physically I could not have asked for a better group of kids (and parents) to go through these challenging times. I will be forever grateful for your understanding and patience these past nine weeks.

Can't wait to see you Wednesday at 11 am for our final Hangout.
